Picturesque Devon. There is no more beautiful county in lovely England than the county of Devon, particularly in the spring of the year. Then the woods are carpeted with the primrose, violet, anemone, the wild hyacinth and innumerable others of Nature's jewels. The atmosphere is redolent with the fragrance of blossoming fruit trees, while there is music in the air too, for every bird is singing songs of praise, and rejoicing in the beauty of this time of year.
